**To God Be The Glory**

As I ponder the last five weeks, the song *To God Be The Glory* is ringing in my heart and mind. "To God be the glory, great things He hath done." I drove 5,646 miles all over the western part of United States. I had the privilege to present in ten different churches, though only nine were scheduled. The Lord provided an impromptu church meeting my last week in Kansas. I traveled to Oklahoma, Wyoming, South Dakota, Nebraska, Kansas, Texas, and then back to Oklahoma and Kansas. The Lord used every person I met or stayed with to bless and encourage me. **To God be the Glory!**

Not only did I have the privilege to present the ministry the Lord has called me to in the Philippines, I was also able to fellowship with two friends that I have not seen since college, two BIO missionary families, my middle school Sunday school teacher and her family, and a childhood friend that I have not seen in over 20 years. The Lord blessed me with many more prayer warriors during this trip. Many people that I have never met have been praying for me. A couple of my friends have been forwarding my prayer letter to their family members, and the family members were forwarding it to their friends. This was so encouraging! I will never know how many people pray for me daily. **To God Be the Glory!**

The Lord provided several new financial partners. I had a new individual and one church from Brazil (How cool is that!) start supporting me. As I was traveling, I had two churches vote while I was present to start supporting me financially. At this time I have 88% of the support I need. **To God be the Glory!**

In a previous letter I mentioned my outfit and passage fund. This fund is for airline tickets, a mandatory two-week quarantine at a government sanctioned hotel, residential visa application fee, first and last month's rent with security deposit, and appliances. I am still needing \$7,000. I am thankful for the churches and individuals who have donated toward this fund. I saved enough money myself to purchase my plane tickets, and \$1,650 has been given thus far. **To God be the Glory!**

I will be purchasing my airline tickets this month to head to the Philippines on March 1, 2022. Please pray that all my paperwork will go through. I must contact the Philippine embassy after purchasing my ticket to get an exemption from the travel ban. The Lord is in control, and I know He will provide. My commissioning service will be on February 27, 2022, during the evening service at my sending church in Jefferson City, Tennessee. All who want to come are invited. I am looking forward to being in the Philippines soon. **To God be the Glory!**

I have shared this news with Pastor Rusty and Baby Lita Ocampo and the Heavenly Bible Baptist Church. They are all excited. They have been busy with the property God has provided for them. Another wave of COVID is going through the church family there in the Philippines; please keep them in your prayers. Pray for safety as many are working and building on the property. Heavenly Bible Baptist continues to reach their community for Christ during these difficult times. **To God be the Glory!**

**Prayer Requests:**

- Pray that the Philippines will open for foreign travel without restrictions.
- Pray for more prayer partners and financial support. I am at 88%.
- Pray for more meetings this fall and through the end of the year.
- Pray for the money needed for my outfit and passage to the Philippines.
